There was a mistake in the caption of **Figure 3** as published. Part label “(F)” was used in place of “(G)” and “(H)”. The corrected caption of **Figure 3** appears below.

“Effect of WJPS on serum immunity and antioxidant levels in yaks. **(A)** serum IgG level; **(B)** serum IgM level; **(C)** serum IgA level; **(D)** serum GSH-PX level; **(E)** serum IL-2 level; **(F)** serum IL-8 level; **(G)** serum TNF-α level; **(H)** serum SOD level. * indicates statistically significant difference compared with CON group: * $P<0.05$ indicates statistically significant difference; ** $P<0.01$ indicates significant difference; *** $P<0.001$ indicates highly significant difference.”
