KEYWORDS

biomaterials, thin endometrium, tissue engineering, regenerative medicine, repair

A Correction on
Advances in using biomaterials for repairing thin endometrium

by Li H, Hu F, Xie F, Chen X and Wu H (2025). Bioeng. Biotechnol. 13:1697669. doi: 10.3389/fbioe.2025.1697669

Author Feihong Hu was erroneously assigned as **Corresponding Author**. The correct corresponding author is Honglian Wu.

The author Feihong Hu was erroneously omitted as **Equal Contributing** author and co-first author. Authors Huizhen Li and Feihong Hu equally contributed to this manuscript as the first authors.

The original article has been updated.
