A Correction on

Genetic profile of a large Spanish cohort with hypercalcemia

By García-Castaño A, Madariaga L, Gómez-Conde S, González P, Grau G, Rica I, de Nanclares GP, De la Hoz AB, Aguayo A, Martínez R, Urrutia I, Gaztambide S, Calcium Phosphorus Metabolism Molecular Biology Group and Castaño L (2024) *Front. Endocrinol.* 15:1297614. doi: 10.3389/fendo.2024.1297614

An incorrect **Funding** statement was provided. The **Funding** statement for the Institute of Health Carlos III was displayed as “Institute of Health Carlos III (PI21/01419)” The correct **Funding** statement reads: “The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This work was supported by Project PI21/01419, funded by the Instituto de Salud Carlos III and co-funded by European Union (ERDF “A way to make Europe”); the Department of Health (2019111052); and the Department of Education (IT-1281-19) of the Basque Government. This work is generated within the Endocrine European Reference Network (Project ID number of Endo-ERN: 739527). The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.”
