Expression of Concern: An overview on the conversion of forest biomass into bioenergy

Frontiers Editorial Office*

An Expression of Concern on

[An overview on the conversion of forest biomass into bioenergy](#)

by Yu Q, Wang Y, Van Le Q, Yang H, Hosseinzadeh-Bandbafha H, Yang Y, Sonne C, Tabatabaei M, Lam SS and Peng W (2021). *Front. Energy Res.* 9:684234. doi: [10.3389/fenrg.2021.684234](https://doi.org/10.3389/fenrg.2021.684234)

In the published article, the conflict of interest lacked necessary details regarding a previous collaboration between author Su Shiung Lam & reviewer Cheng Tung Chong. An investigation by the Research Integrity auditing team found that this conflict of interest did not unduly impact the peer review process or scientific validity of the article.

As a result, a Correction has been published, and the Expression of Concern is considered resolved. This notice remains published to retain a transparent record.
