A Retraction of the Correction article

Corrigendum: CMTM6 as a candidate risk gene for cervical cancer: comprehensive bioinformatics study

by Huang X, Liu W, Liu C, Hu J, Wang B, Ren A, Huang X, Yuan Y, Liu J and Li M (2024). *Front. Mol. Biosci.* 11:1452740. doi: 10.3389/fmolb.2024.1452740

The journal retracts the 23 July 2024 article cited above.

Following publication, concerns were raised regarding the integrity of the images in the published figures. The authors failed to provide a satisfactory explanation during the investigation, which was conducted in accordance with Frontiers' policies.

This retraction was approved by the Chief Editors of Frontiers in Molecular Biosciences and the Chief Executive Editor of Frontiers. The authors received a communication regarding the retraction and had a chance to respond. This communication has been recorded by the publisher.

Frontiers would like to thank the users on PubPeer for bringing the published article to our attention.
