In the published article, there was an error in affiliation 4. Instead of “Faculty of Veterinary Medicine, Suez Canal University, Ismailia, Egypt,” it should be “Faculty of Medicine, Suez Canal University, Ismailia, Egypt.”

In addition, an author's name was incorrectly displayed. Instead of Noheir A. I. F. Hassan it should be Noheir Ashraf Ibrahim Fathy Hassan.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
