KEYWORDS

Gelsemium elegans, poisoning, case report, review-systematic, gastric lavage

A Correction on

Caution on the severe damage of *Gelsemium elegans* poisoning: a case report on family poisoning and systematic review

by Zhao, Y., Shen, B., Xiao, Q., Wang, Y., Fu, Y., Tang, Q., and Liang, Z. (2025). *Front. Public Health* 13:1633727. doi: 10.3389/fpubh.2025.1633727

The **Article type** was erroneously chosen as Mini Review. The correct article type is Brief Research Report.

In the published article, there was a mistake in the **Keywords**. The keywords for this article were displayed as “*Gelsemium elegans*, poisoning, review-systematic, respiratory depression, gastric lavage”. Due to the change in the article type and its content, the keywords should be revised to: “*Gelsemium elegans*, poisoning, case report, review-systematic, gastric lavage”.

The original version of this article has been updated.
