A Correction on

From “build back the same” to transformative recovery: enablers and barriers for climate-focused pathways in post-disaster case studies across Europe

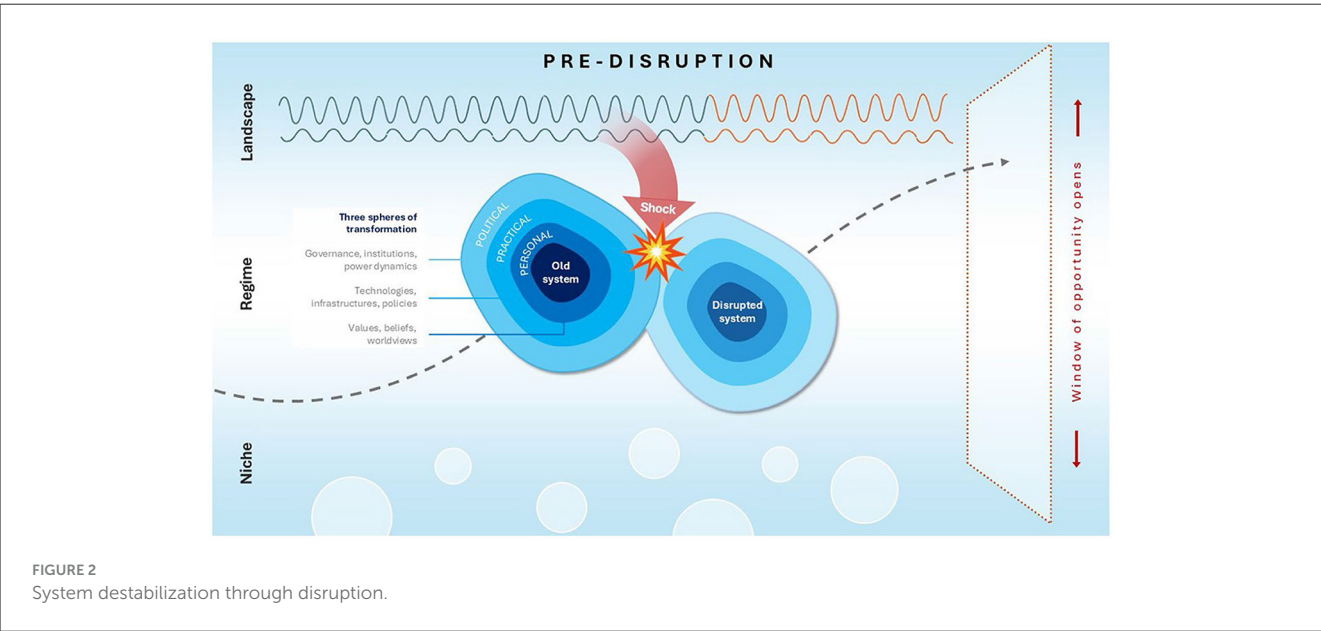

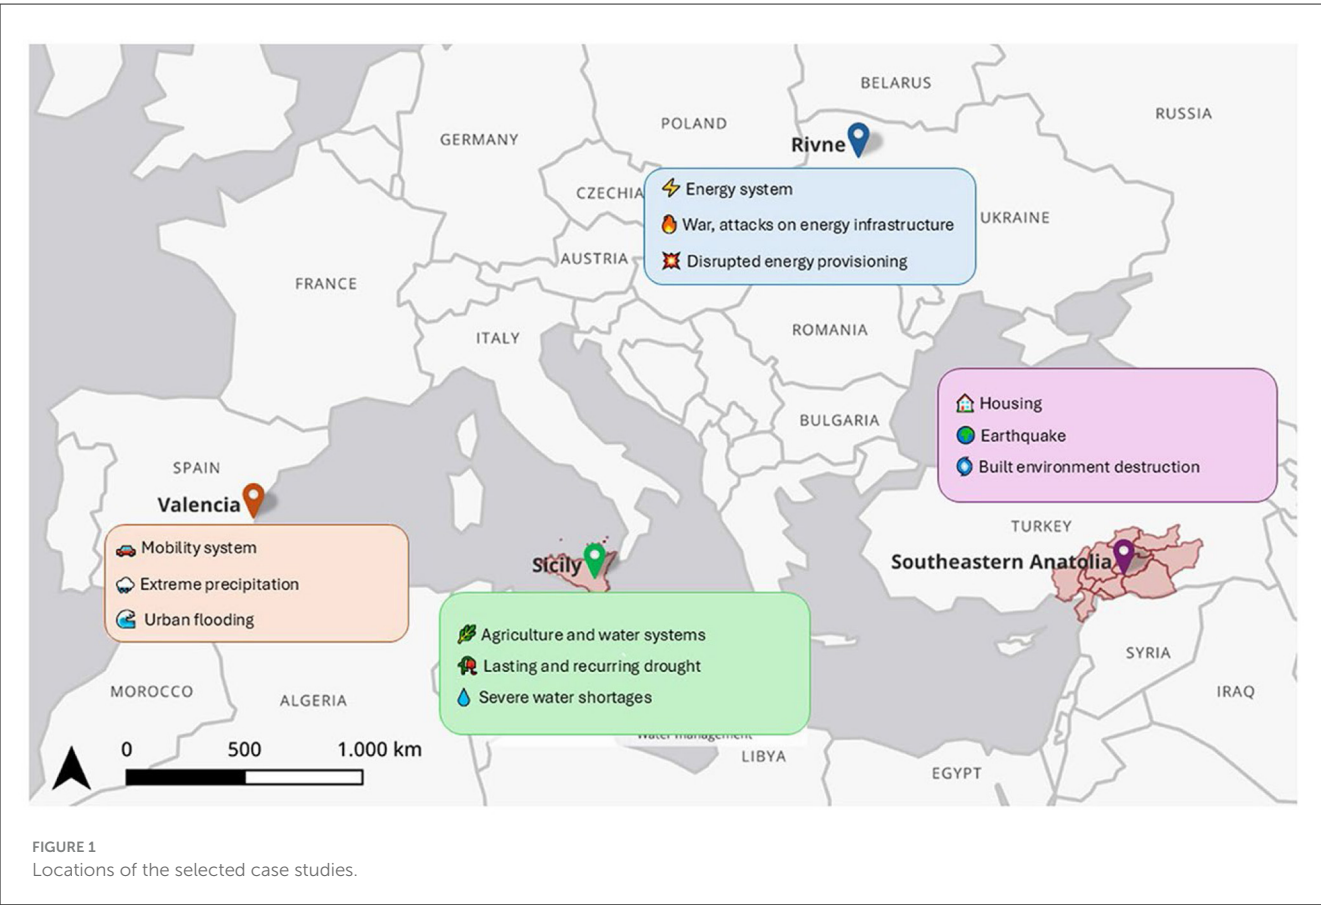

by Udovyk, O., Soloviy, V., Blanes, J. P., Nahiduzzaman, K. M., Özdoğan, F., Maglione, A. D. and Pennino, S. (2025). *Front. Sustain. Cities* 7:1656725. doi: 10.3389/frsc.2025.1656725

The captions for all figures were in the wrong order. The order has now been corrected. Additionally, [Figure 1](#) was incorrectly cited instead of [Figure 2](#) in the section **Materials and methods**, subsection “Disruption and destabilization”, paragraph 1. The correct sentence is “Socio-technical regimes—such as energy, mobility, housing, or food—are stabilized by the interplay of technologies, policies, norms, and institutions (see [Figure 2](#)).”

The original version of this article has been updated.
